It is with great pleasure that we announce an Induction Programme for the newly admitted students of Kakching Khunou College for the academic session 2025-2026. The programme is scheduled to be held on Tuesday, the 15th of July, 2025, at 11:30 am at the Sivananda Memorial Hall of the college.

This Induction Programme is designed to welcome our new students and familiarize them with the college environment, its rules and regulations, academic programmes, and the various facilities available to them. It serves as an essential first step in their journey with us, aiming to ensure a smooth transition into college life. The programme will provide a comprehensive overview of the institution and offer an opportunity for students to interact with faculty members and new students.

All newly admitted students are hereby informed that attendance is mandatory. We believe this session will be immensely beneficial in setting the right tone for their academic pursuits and integrating them into the college community.

Let us come together to welcome the newest members of our college family and embark on a new academic year with enthusiasm and purpose. We look forward to your presence.
